PreK - 12th grade students,
teachers and parents welcome!

Free parent and teacher workshops

We will be running two free workshops from 1:30pm to 3:00pm during the event. The teacher workshop will focus on how teachers and community experts can collaborate to co-teach STEM projects. The parent workshop will focus on engagement and STEM resources. Spaces are limited. **Please sign up to reserve your spot at bit.ly/STEMworkshopsignups.**
