

## August & September

# GROWTH MINDSET

*You take on new challenges with optimism,  
you believe that you can get smarter,  
and you are able to talk about what you've learned.*

October

# SOCIAL INTELLIGENCE

*You find solutions during conflicts with others,  
demonstrate respect for the feelings of others,  
and adapt to different social situations.*

# November

# GRATITUDE

*You recognize what other people do for you,  
show appreciation for opportunities, and express appreciation  
by saying THANK YOU or doing nice things for others.*

# December

## ZEST

*You actively participate, show enthusiasm,  
approach new situations with excitement  
and energy, and invigorate those around you.*

# January

# OPTIMISM

*You believe that effort will improve your future, and  
you stay motivated when things don't go well.*

February

# CURIOSITY

*You eagerly explore new things,  
ask questions to deepen your understanding,  
and take an active interest in learning.*

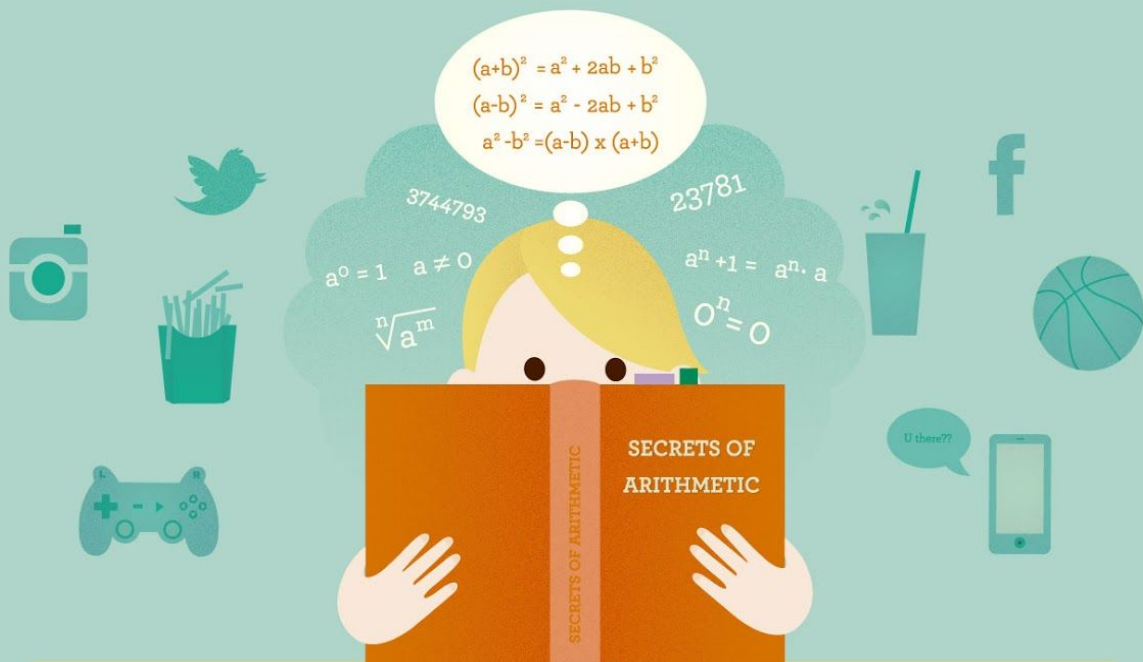

# March

# SELF-CONTROL

*You come to class prepared, follow directions, get to work right away, and avoid distractions. You also remain calm when criticized, allow others to speak without interrupting, and remain polite even when you are stressed or angry.*

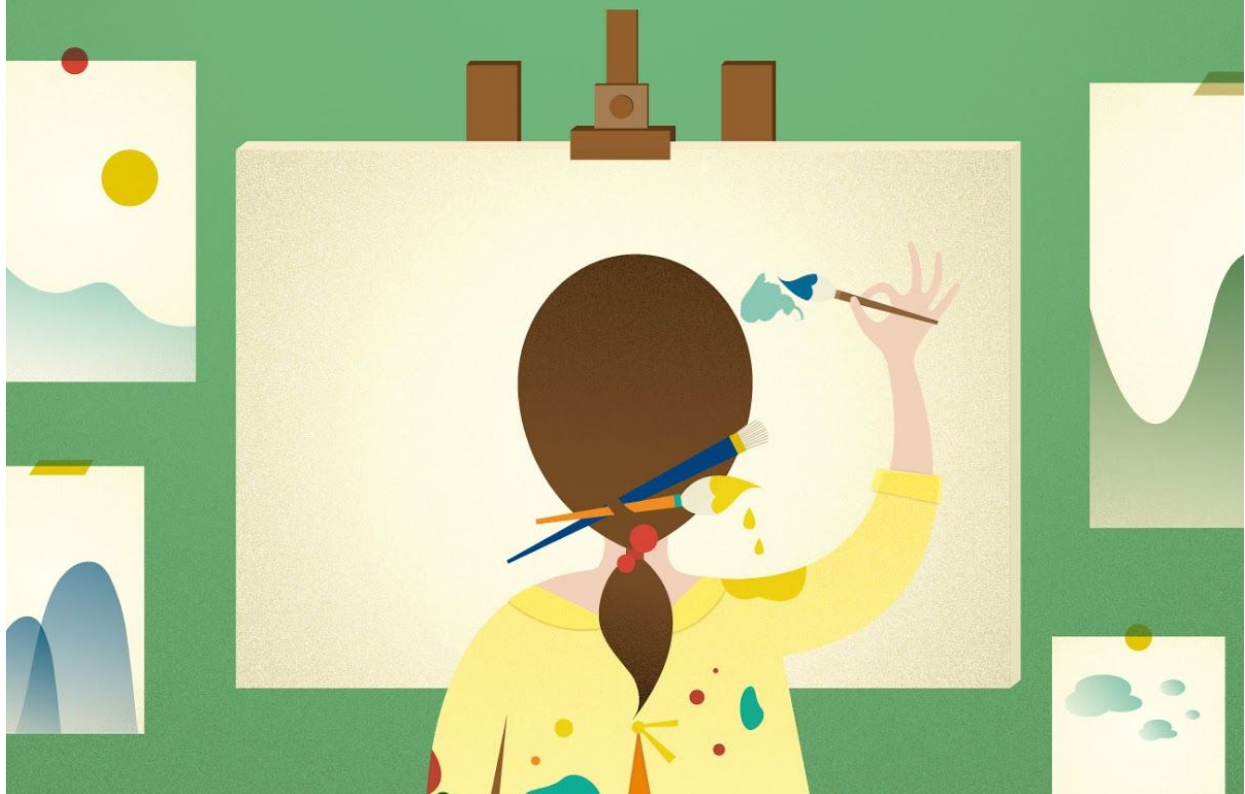

April

# GRIT

*You finish what you begin, stay committed to your goals,  
work hard even after failure or when you feel like quitting,  
and you stick with projects for more than a few weeks.*

May

# PURPOSE

*You are oriented toward a future goal  
and you can explain the reason for your goal.*
